WHY THIS OFFER CANNOT BE MATCHED IN VICTORIA

Zero Agency Bloat · Built Before You Commit

1. Zero Blind Deposit Risk

Melbourne web agencies charge **$3,500–$14,000+ AUD** and take 8–10 weeks just to show static mockups. Your complete platform is **already built and verifiable live** on desktop & mobile today.

2. Paid Off by Just ONE Repaint

With an average Geelong 3-bedroom interior or weatherboard exterior repaint valued at **$4,500–$8,500 AUD**, winning a single extra quote recovers 100% of your website investment immediately.

3. Eliminates Lead Drop-Off

Upgrades legacy `@outlook.com` to `quotes@paintersofgeelong.com.au`, adds 1-tap mobile Call/WhatsApp (`0431 261 281`), and captures homeowners actively testing Dulux® palettes on-screen.

HOW INTERACTIVE COLOUR & QUOTE TOOLS MULTIPLY BOOKED GEELONG JOBS

Engineered Specifically for Victorian Homeowners

Homeowners Commit to Colours First

Over 70% of painting delays happen because couples cannot picture Monument® vs Surfmist® on their facade. Your **220-swatch Dulux® wheel & house visualizer** keep them designing on *your* site instead of Dulux or a rival painter.

Pre-Qualified Leads, Zero Tyre-Kickers

The **30-second m² calculator** sets realistic Victorian price expectations upfront and pre-fills your quote form with property size, surface state, and chosen Dulux® scheme — saving Mosi hours of unproductive site visits.

Dominates Geelong & Surf Coast Search

Dedicated landing pages for **Highton, Newtown, Belmont, Armstrong Creek, Torquay & Ocean Grove** paired with 4.9★ Google + hipages schema capture high-margin coastal & heritage repaints organically.

COMMERCIAL REALITY CHECK: Buying a lead on lead-aggregator directories costs $35–$85 per enquiry shared with 3 competing painters. Owning this platform outright gives **Painters of Geelong** an exclusive 24/7 colour showroom & quote engine with **$0 commission per job forever**.
